General Sir John Kotelawala Defence University
Faculty of Computing
Department of Information Technology
BSc Information Technology/ Information Systems Degree Program

Requirement Gathering Details
Industry Based Software Engineering Project (IT2992)

Project Name	**KDUSC Staff Bus Management System**	
Group Details		
Group Number	**Student Number**	**Student Name**
01	**6736**	**THDGM Wickramasighe**
	D/BIT/23/0008	**A.Mahagamage**
	D/BIT/23/0018	**DHD Umayangani**
	D/BIT/23/0020	**DMP Pathirana**
	D/BIS/22/0029	**TMKMPB Thennakoon**
Project Details		
Supervisor	**KDUSC Staff Bus Management System**	
Commencement Date	**15-05-2023**	
Submission Date	**08-08-2024**	

The requirements regarding this project have been mainly gathered in three ways,

1. Surveys
2. Interviews
3. Observations

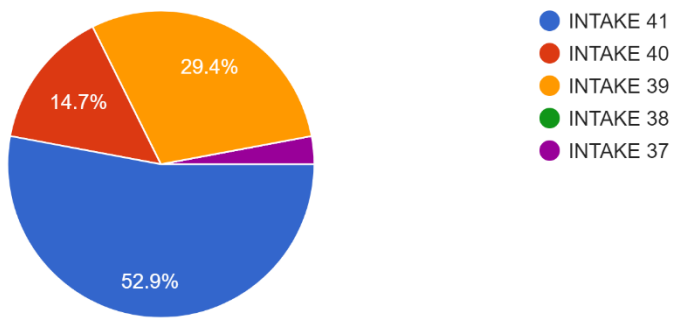
1. Surveys

The surveys regarding this project have been basically gathered from two sources through a google form,

- Student feedback

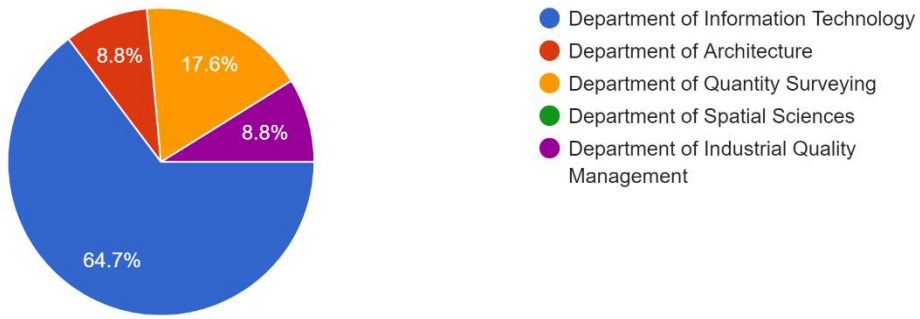
1. Intake :

34 responses



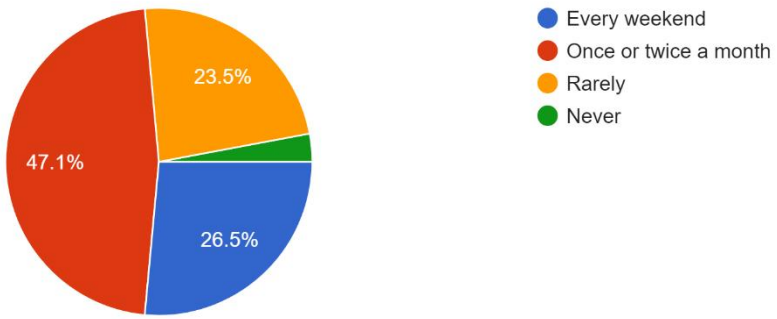
2. Department:

34 responses



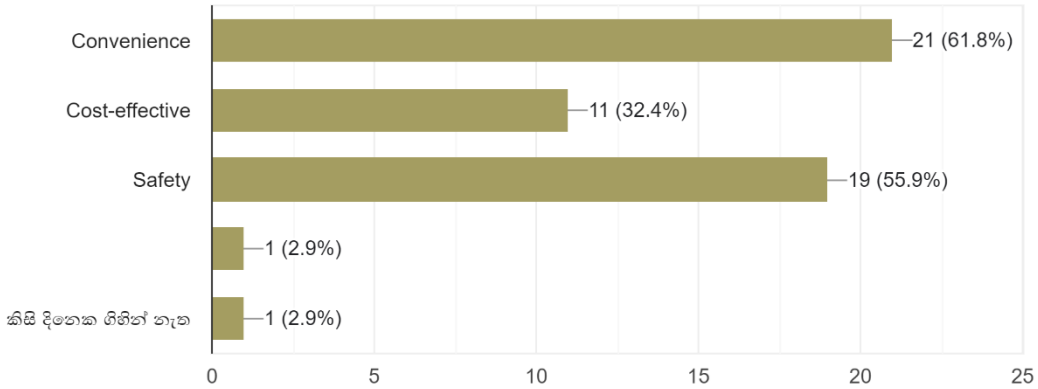
3. How often do you use the staff bus service on weekends?

34 responses



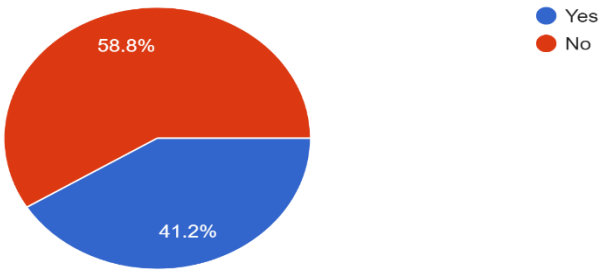
4. What are the main reasons you use the staff bus service?

34 responses



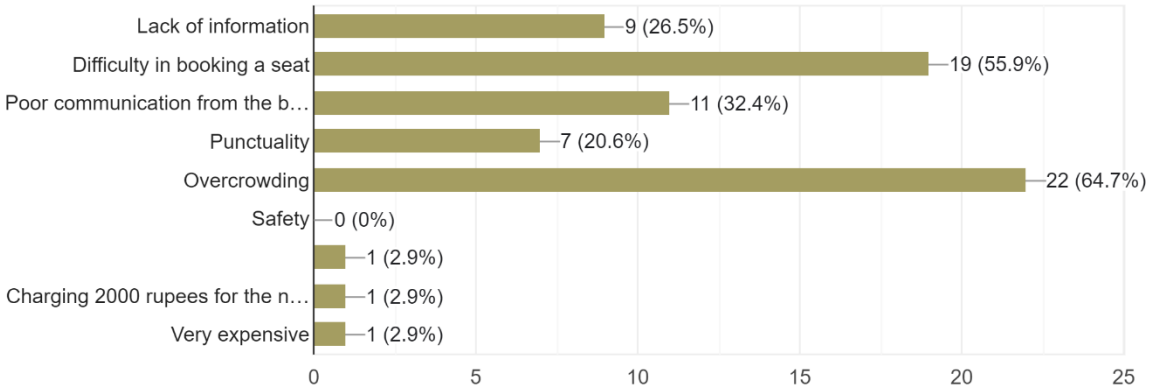
5. Have you experienced any problems with the current staff bus service at Kotelawala Defence University?

34 responses



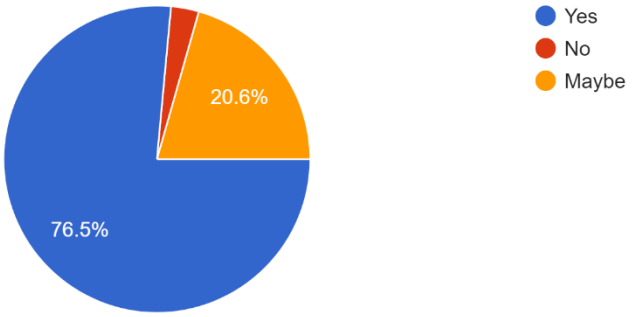
6. What issues have you encountered with the current staff bus service? (Select all that apply)

34 responses



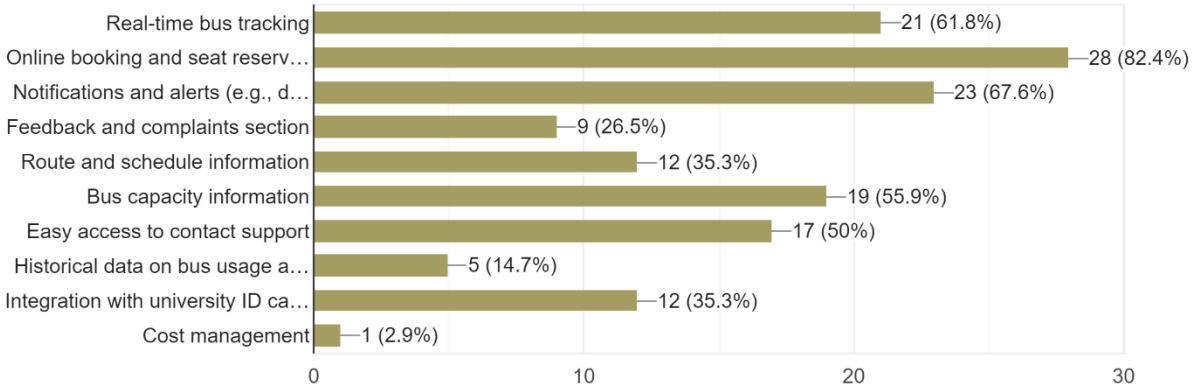
7. Would you be interested in an online platform/app for managing bus schedules and reservations?

34 responses



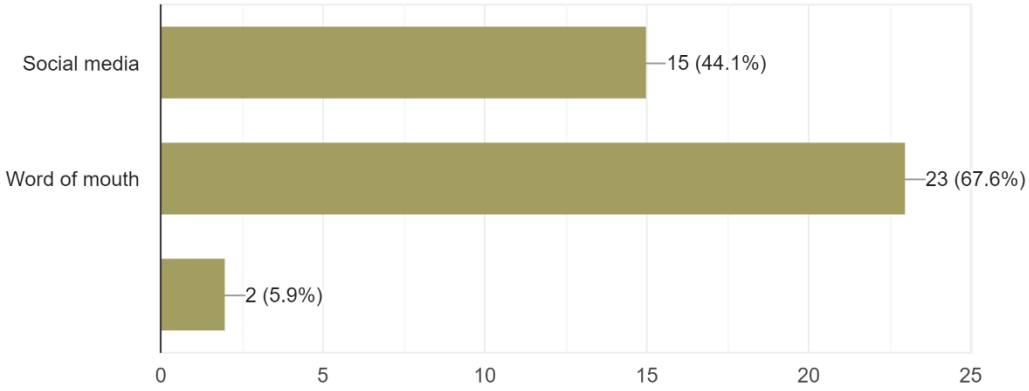
8. What features would you expect from a staff bus management system? (Select all that apply)

34 responses



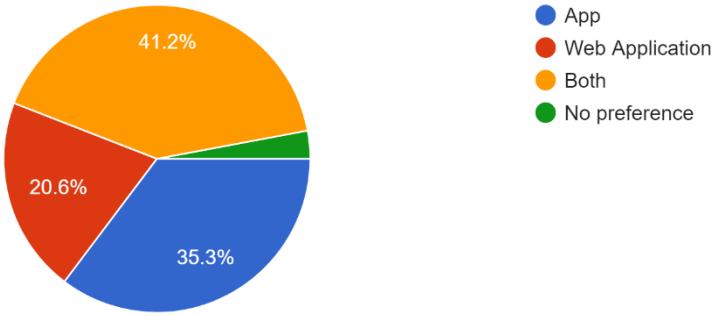
9. How do you usually find out the bus schedule and route information?

34 responses



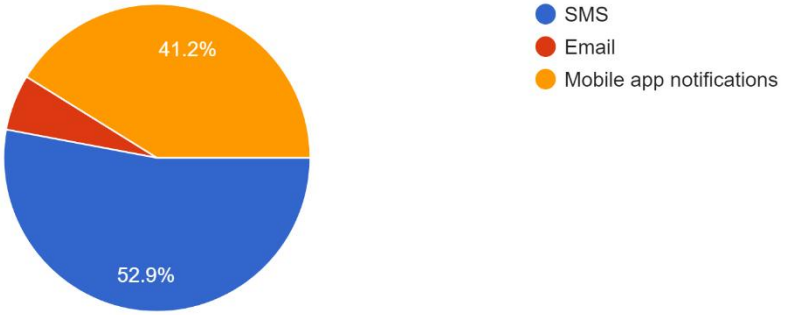
10. Would you prefer an app, a website, or both for managing the bus service?

34 responses



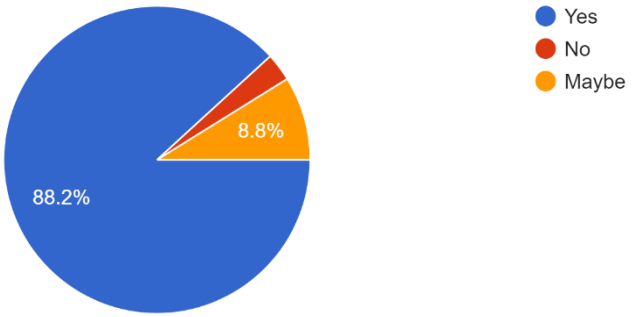
11. How would you like to receive notifications about the staff bus service?

34 responses



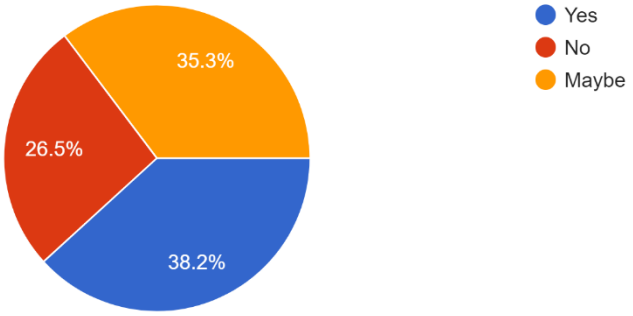
12. Would you like to see how many seats are taken on the bus before you book a seat?

34 responses



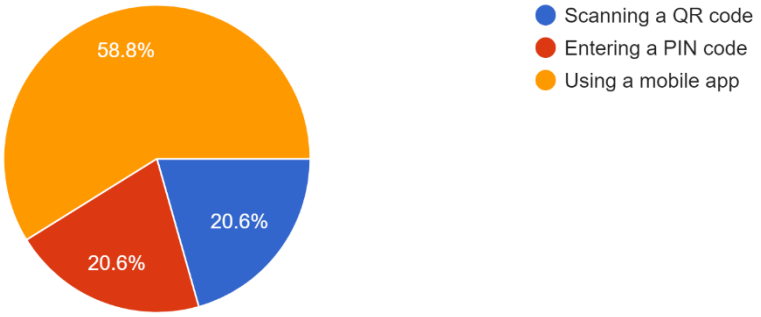
13. Do you think the communication about changes in the bus schedule or routes is clear enough?

34 responses



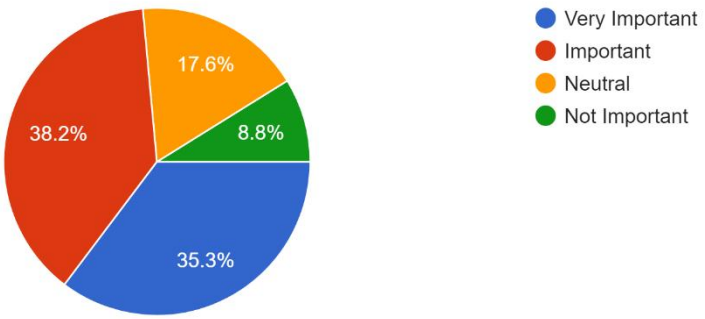
14. What methods would you prefer to use to start and end your journey? (Select all that apply)

34 responses



15. How important is the option to customize your seat preference (e.g., window, aisle)?

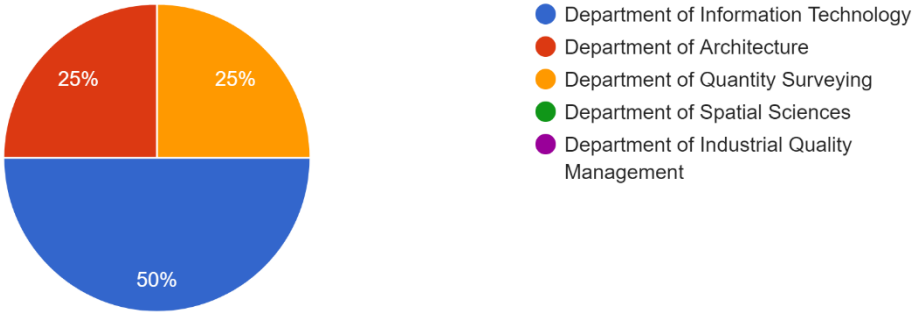
34 responses



- Lectures feedback

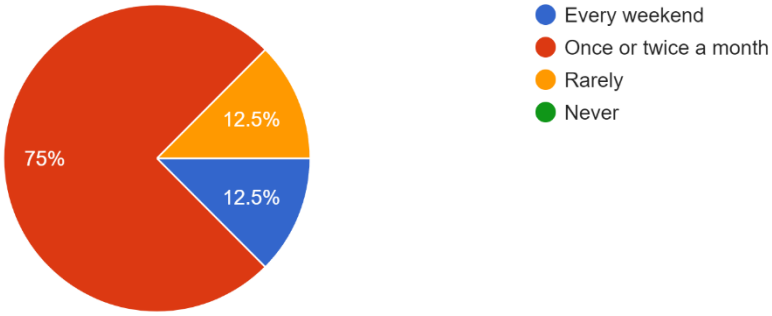
1. Department:

8 responses



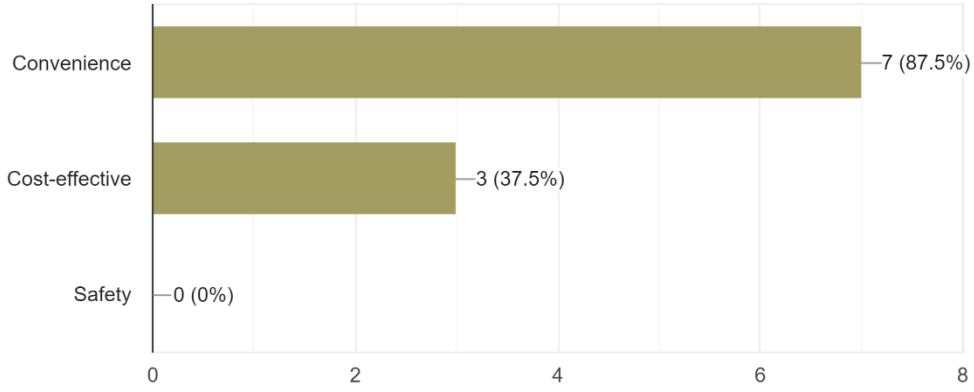
2. How often do you use the staff bus service on weekends?

8 responses



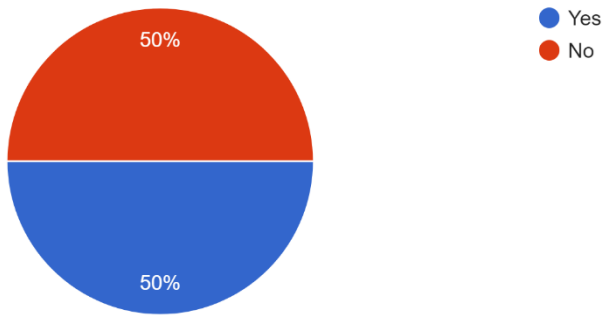
3. What are the main reasons you use the staff bus service?

8 responses



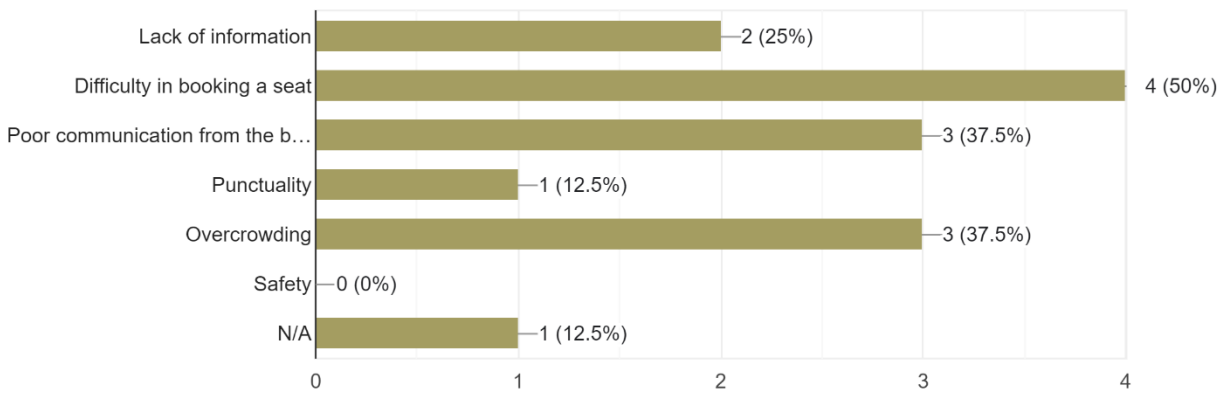
4. Have you experienced any problems with the current staff bus service at Kotelawala Defence University?

8 responses



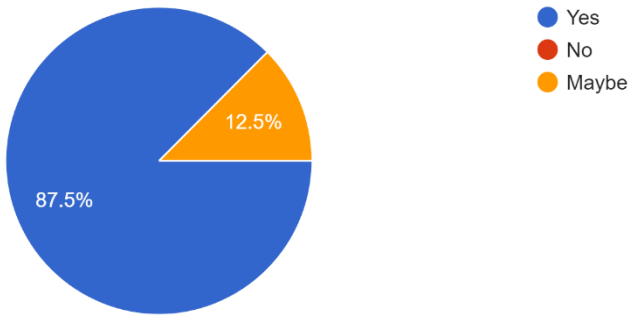
5. What issues have you encountered with the current staff bus service? (Select all that apply)

8 responses



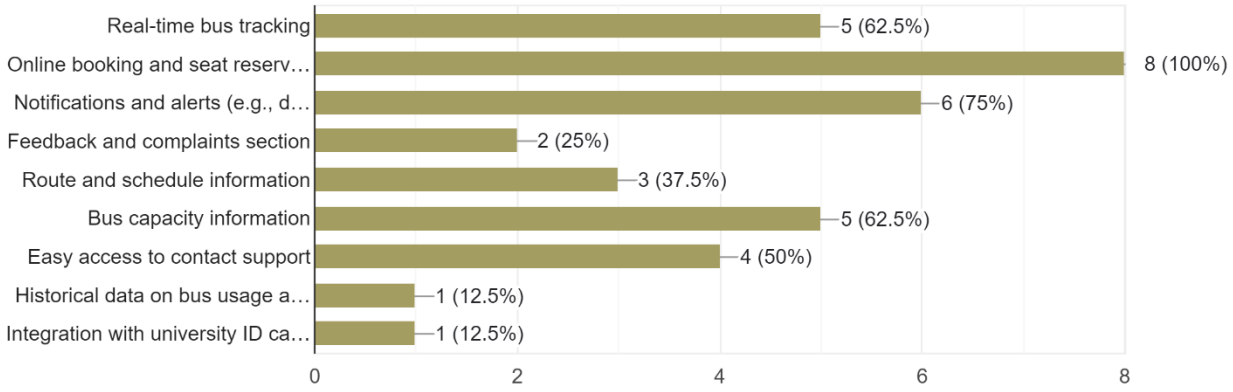
6. Would you be interested in an online platform/app for managing bus schedules and reservations?

8 responses



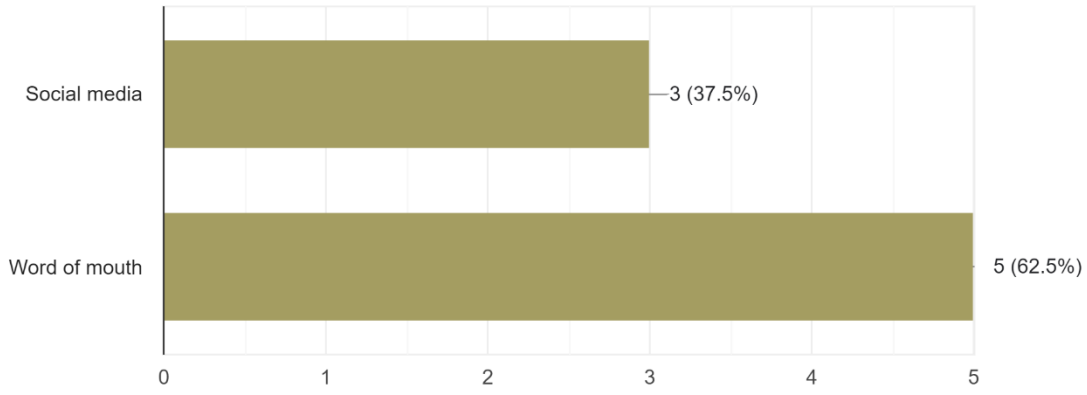
7. What features would you expect from a staff bus management system? (Select all that apply)

8 responses



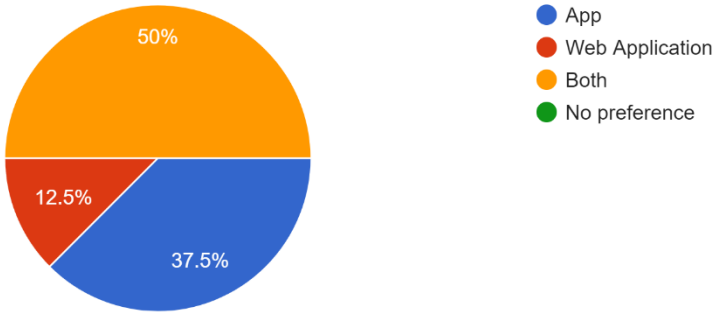
8. How do you usually find out the bus schedule and route information?

8 responses



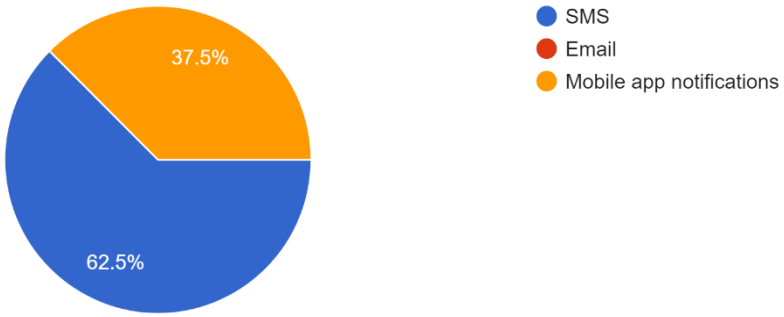
9. Would you prefer an app, a website, or both for managing the bus service?

8 responses



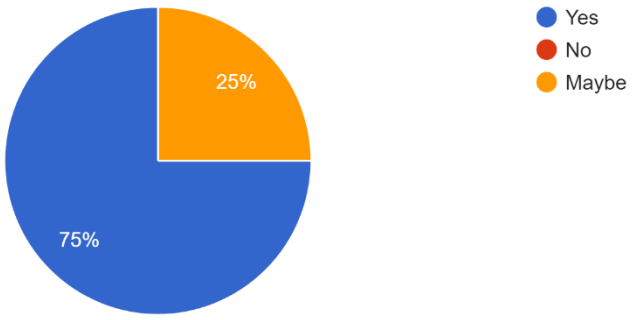
10. How would you like to receive notifications about the staff bus service?

8 responses



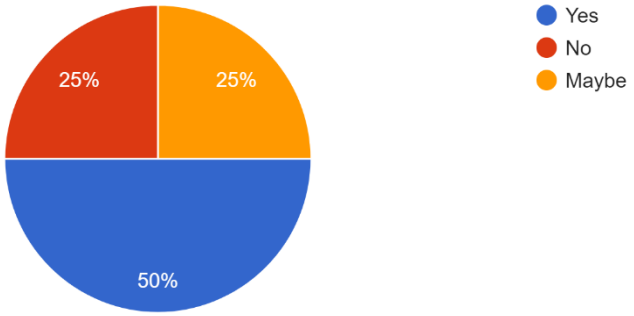
11. Would you like to see how many seats are taken on the bus before you book a seat?

8 responses



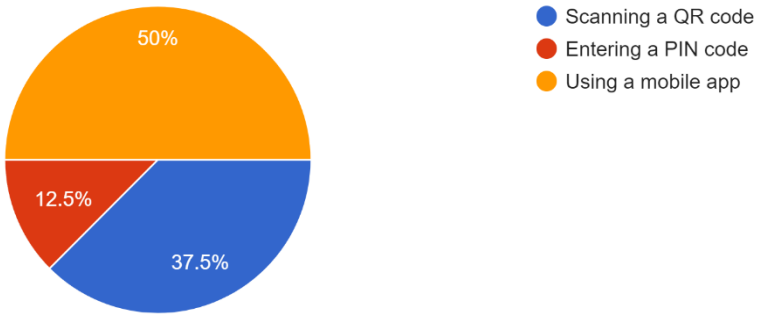
12. Do you think the communication about changes in the bus schedule or routes is clear enough?

8 responses



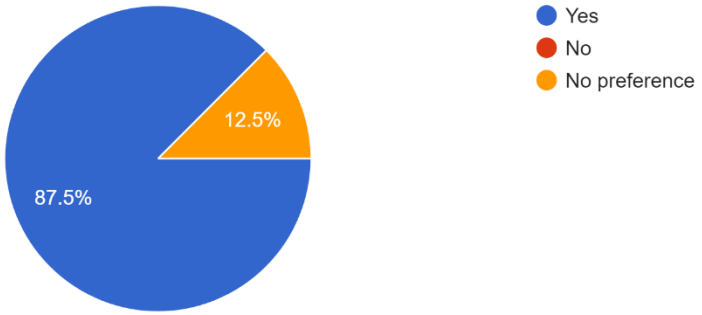
13. What methods would you prefer to use to start and end your journey? (Select all that apply)

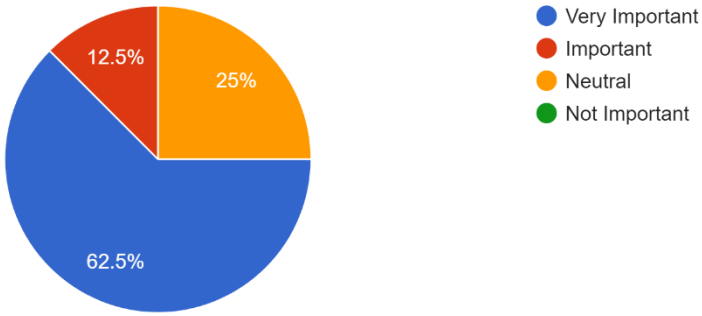
8 responses



14. Would you prefer a seating arrangement that allows you to share the next seat with another lecturer or a student?

8 responses



15. How important is the option to customize your seat preference (e.g., window, aisle)?


8 responses
